Cengage Learning, Inc, United States, 2018. Hardback. Condition: New. Large type / large print edition. Language: English. Brand new Book. "The slogan of the store--"unruffled, unveiled, unstoppable women"--is a perfect descriptor for the tenacious religious feminists who here pursue the American Dream. " -Publishers WeeklyThe American Dream thrives in 1912 New York City Annie Wood, the housemaid-turned-pattern designer in The Pattern Artist, jumps at the chance to design her own clothing line when a wealthy New York couple offers to finance her endeavor. Joining the project is Annie's new husband, Sean Culver, her best friend at Butterick, Maude Nascato, and a mother figure, Edna Holmquist. Annie and her colleagues give up their careers, risking everything to follow a shared passion: clothes that are both fashionable and functional for modern, busy women in 1912. Personal and financial setbacks test old relationships and new romances while threatening to keep the business from ever selling a single dress. No one said it would be easy. But the promise of the American Dream holds a deep hope for those who work hard, trust God, and never give up.
